

Boston

In the Spring

If you ever want to visit a historic place, you
should visit Boston

MAP

Boston is located in Massachusetts, its in the North.

Crisp Cool Beaches

Were going to take a trip through Boston in the
Spring time

Blue Waters with Sand

Here is a beach, that shares the coast with
Maine and Massachusetts

Great Architecture

There are some really old houses from the early years of America through out the state.

Sunny Sandy Walks

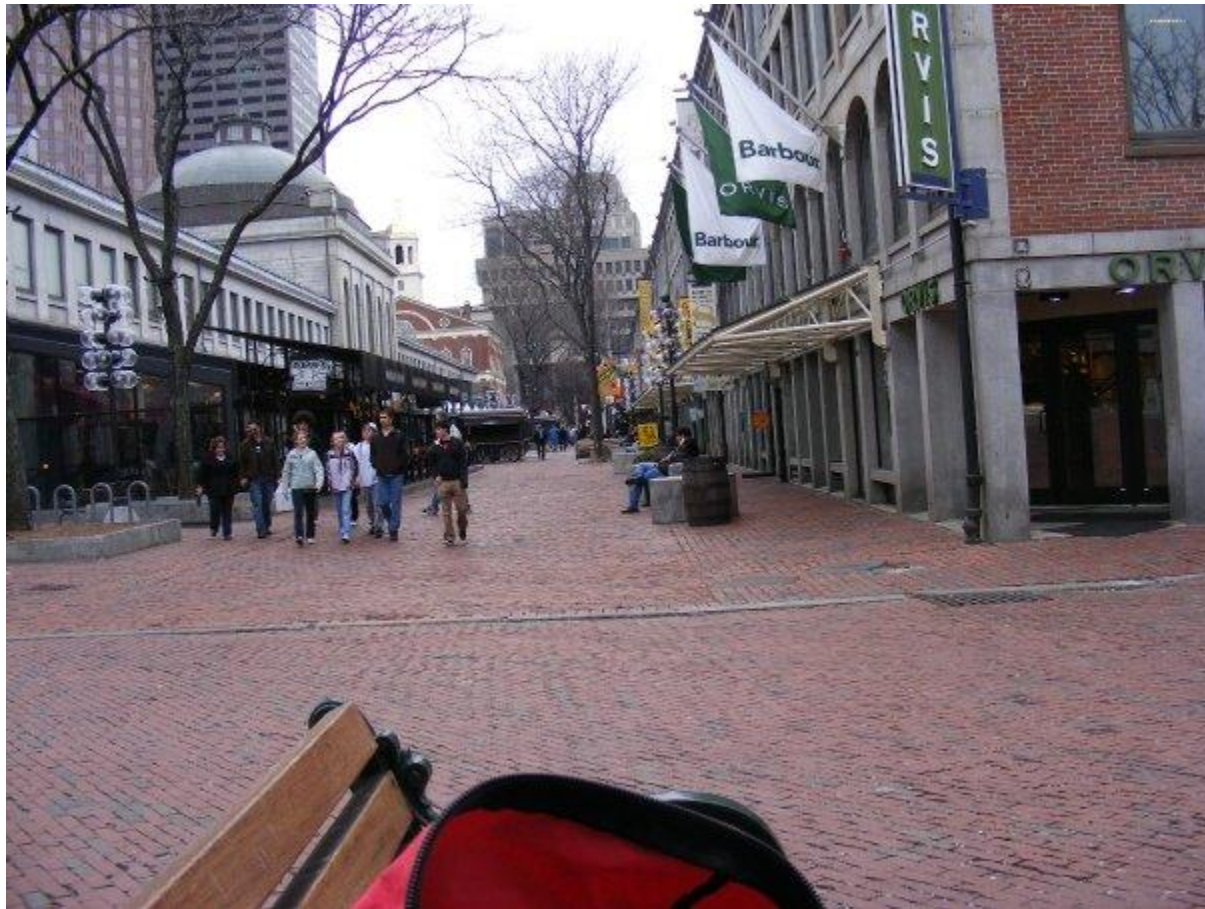

There are plenty of spaces to create physical activity on the beaches and shores. Its always a great time to go outside in the Spring.

Downtown

For lunch you could go downtown and visit the shops

Faneuil Hall Marketplace

A historic place, with conjunction to Baltimore Maryland, called Faneuil Hall, is where you can do a lot of business.

Town Hall

The Historically known Town Hall, for its gold top. Also Seen in the famous move, The Departed.

Deep in the Heart of the City

Here is the central park of Boston. You can catch workers in the work week taking their lunch break exercising.

The Leonard P. Zakim Bunker Hill Bridge

The most famous bridge for its architecture.
This bridge connects Boston from West to East
saving lots of traffic.

Skyline from East Boston

Sitting from the top of the city at TD North Garden Center, this is the Skyline view of all the new construction.

Events for Night Time

But we save the best for last, we want to see
the games! Lets go!

Great Seats!

We got some great seats to a professional basketball game. Here we are in world renowned Celtics Arena.
